VILLAGE OF ROCKTON PUBLIC WORKS DEPARTMENT

MEMORANDUM

DATE: OCTOBER 6, 2011
PROJECT: HYDRANT FLUSHING PROGRAM
FROM: GORDON NYGREN

The hydrant flushing program will begin on October 10, 2011 and continue thru October 24, 2011. We will begin on the south side along RT. 75 and proceed west and then south to Stone Ridge Subdivision. We will then proceed thru Woodlands Subdivision and work to the south to we complete Old River Hills and Old River Pass Subdivisions.

On the North side of the Rock River we will begin Downtown and work north and east until we reach RT. 2. We will then proceed to Pinecroft and Wright Place Subdivisions. Once those areas are completed we will flush the most eastern area of Meadowcrest, Wingate and Kensington Subdivisions.

If you should have any questions, please call 815-624-7600 ext. 127.
